

## 2019 Disney Fundraiser Information

Hello everyone! By now everyone has heard the exciting (and somewhat financially stressful) news about going to Disney in March 2019. The WAHS Band Association has been working together to come up with some consistent fundraising ideas to make the financial obligation a bit less stressful.

We have 2 options for fundraising that will be available. You are more than welcome to participate in both, just choose one, or decide not to participate in any and just make the payments each month.

- **OPTION ONE: Mileto's Sub Sale Fundraiser** – We have forms to hand out today and the kids can begin right away. Write down the customer's name, what type of 7" sub they want (Turkey, Ham, or Regular), how many they want, and the price on the form. **PAYMENT IS DUE AT TIME OF TICKET SALE.** Once you feel that you have finished selling or you need another sheet to continue selling, put the completed form **WITH PAYMENT** in a sealed envelope in the black box in the WAHS band room. The treasurer will keep track of the payment and you will then receive the tickets to give to your customers. You may sell as many as you like. They sell for \$6.00 each and we pay \$4.00. 100% of the \$2.00 profit will be applied to your student account. You deliver the ticket and your job is done! The customers can go get their sandwiches at their leisure. The tickets have a 2-month period expiration date on them.

If you are participating in the Mileto's fundraiser, you may also pay for (and receive) tickets up front. This will allow you to give out the tickets to the patron at the time of sale, rather than collecting the money and delivering the ticket later.

- **OPTION TWO: Jiffy Mart Sandwich Sale Fundraiser** – We have forms to hand out today and the kids can begin right away. This sale will occur every month. The sandwich choices are Turkey, Ham, or Roast Beef which we sell for \$5.00 each and we pay \$2.25 - \$2.75. **PAYMENT IS DUE AT TIME OF PLACING THE ORDER.** Do not submit order forms without payment or payments without order forms. 100% of the \$2.75 - \$2.25 profit will be applied to your student account. Orders will be due **WITH PAYMENT** on the first Monday of every month (starting in May). Once again, please place the completed order forms with payment in a sealed envelope in the black box in the WAHS band room. The orders will be placed by Linda Z on that Wednesday and then will be ready for pick-up from the B-Lot at WAHS from 7:00 – 8:00 pm the following Thursday (the following week). All help is appreciated and welcomed for organizing and dispersing orders to the students on Thursday. For example, our first order will be due on or

before Monday, 5/7/18 so that the order can be placed on Wednesday, 5/9/18. The sandwiches will be picked up and delivered (thank you, Linda Z) to WAHS on the following Thursday, 5/17/18, which you then can pick up that night from 7:00 pm – 9:00 pm in B-Lot (the one close to the auditorium).

Order forms for both trip fundraising options have been attached to this letter. Please have your student ask his/her band director for more copies when needed. You may also download and print additional order forms from the Forms & Announcements section of the Marching Millionaires website at [www.marchingmillionaires.org](http://www.marchingmillionaires.org).

Please email the Executive Board members from The WAHS Band Association with any questions you may have. Good luck and get selling!!
