Please purchase your tickets here.

The Band Association is providing a 6”sub and snacks for lunch.

Students will have the opportunity to purchase food at a fast food stop and at concession stands in the competition stadium. Send \$ or snacks/food for your student when we travel. Bring Homework – we have a long bus ride this week.

Sometimes we must change into uniforms quickly. Students should wear their show shirt to travel (guard – your black shirt) and appropriate shorts (biker/track) for under uniform pants.

A hoodie or jacket is a good idea if it gets chilly.

BRING YOUR WATER JUG

Students should have fresh socks each week.

If the weather is wet, send a plastic grocery bag for muddy shoes.
