- If you prefer not to walk that distance, meet the band on the track on the home side at the goal line closest to the score board at 6:15pm
- Dress is Dressy Casual. Coats, hats, scarves and gloves are encouraged if it is cold.

- Pants preferred and high heels are not permitted on the track or turf.
- The Band will be performing at Halftime – not Pregame.

**Important:**

**Atlantic Coast Championship Practice / Dress Rehearsal – Saturday, October 27 Noon – 6pm on the main field followed by senior line up.**

Uniform pants are being dry cleaned this week. If you have not paid your uniform fee, please do so. Send a Check for \$40 made out to “WAHS Band”.

Tickets are not available for early sale for Regionals. Purchase tickets at the gate.

\$8 for Adults and \$5 for students and seniors. Pre-school age children are free.

Sometimes we must change into uniforms quickly. Students should wear their show shirt to travel (guard – your black shirt) and appropriate shorts (biker/track) for under uniform pants.

A hoodie or jacket is a good idea if it gets chilly – and it will be chilly this weekend.

**BRING YOUR WATER JUG**

Students should have fresh socks each week.

If the weather is wet, send a plastic grocery bag for muddy shoes.
